Sir' with due respect,I had write a letter to you on dated 11.02.2018 I want to say that about the SHAHI IDGAH QURESH NAGAR WARD 89 MOTIA KHAN. that mosque is the historical palace it has many grounds surrounding there near the entrance and exit gates .but sir it has no any greenery in the parks . I had not seen it for a long time .I want that the parks may be green as the INDIA GATE .Some trees should be there in the park of Idgah the shahi Idgah mosque.

please make this place as the greenery zone because that is a very large place to have the SHAHI IDGAH.The older and the children go to AJMAL KHAN park for fresh breathing. If they have found the fresh air near them they will enjoy it.please make the order of gardening as .soon as possible .thanks

Thanks &amp; Regards

Mohd Iqbal
